

30105 Community Business On-Site Classes

Keeping with its commitment to make the College accessible to all people in its service area, the Board of Governors encourages the College's cooperation with local business, industry, labor, community agencies, and schools in delivering on-site classes and services. Selection of on-site locations will consider the College's goal of valuing diversity.

(Amended 11/20/84; 12/17/96; 07/22/14)
