

MCC Academic Program Recognition

The MCC Early Childhood Education program was honored at the 2021 Nebraska Career Education (NCE) Conference in June 2021. The program received the Outstanding Postsecondary Career and Technical Education (CTE) Program Award for exemplary student success.

Below is an excerpt from the NCE Conference awards program.

Outstanding Postsecondary CTE Program Award

A graphic representing an award certificate, enclosed in a teal border. On the left side, it features the Metropolitan Community College logo and the text 'Metro Community College Early Childhood program'. On the right side, there is a congratulatory message from the NCE conference.

**Metro Community
College Early
Childhood program**

Metropolitan Community College's Early Childhood Program has a long-standing commitment to preparing students for the early childhood workforce. Using an innovative path forward approach in educating students, the program has developed several avenues for students to advance their careers while earning college credit toward an associate degree in early childhood education. Congratulations, NCE looks forward to continuing building this valuable relationship!
