Design exhibition showcases faculty art

OMAHA, Neb.—Metropolitan Community College will showcase the creative talents of its instructors in a new exhibition, “Art by Design: MCC Design Faculty,” Jan. 15 to Feb. 25 at the Elkhorn Valley Campus Gallery of Art and Design, 204th and West Dodge Road. Gallery hours are Monday-Friday, 9 a.m.-5 p.m. An opening reception will be held Jan. 15, 4-6 p.m.

The exhibition will feature paintings, photography, digital designs, fiber arts, drawings and more. While faculty artists spend the year mentoring students, the opportunity to experience their artwork is rare.

MCC's Gallery of Art and Design provides a creative and academic experience in an intimate campus setting for students, faculty and visitors. All exhibitions are free and open to the public. For more information on MCC's Humanities and Visual Arts program, visit mccneb.edu/humanitiesvisualarts.

###

Metropolitan Community College, accredited by the Higher Learning Commission of the North Central Association, is a comprehensive, public community college that offers affordable and quality education to all residents of Dodge, Douglas, Sarpy and Washington counties. Founded in 1974, MCC has the largest enrollment out of six community colleges in Nebraska and is the second largest postsecondary institution in the state. MCC serves more than 40,000 students annually.
