

LATAA - HUMAN SERVICES WITH CHILDHOOD & ADOLESCENCE CONCENTRATION PATHWAY

Midland University is pleased to welcome you as a Metropolitan Community College student into the MCC to Midland pathway program. This program intentionally links Metro CC programs directly to 4-year degree majors at Midland University, allowing students to get on the fast path to graduation! Most programs allow students to complete their 4 year degree at Midland University in 2 years or less, after completing the required coursework at MCC.

Midland University ensures a seamless transition and a limitless future. We are dedicated to your success, both academically and in co-curricular endeavors. As a MCC to Midland student, you will have the opportunity to choose to live on or off campus, and have the opportunity to participate in collegiate activities such as the performing arts and athletics should you choose to make this part of your experience

Our transfer process values the hard work you've already completed and offers unwavering support as you continue your academic journey. Your next chapter awaits at Midland University!
