

## MCC Project Management Academy Program Completion Checklist

Each of the following sequences must be completed in order to earn the MCC Project Management Academy Completion Certificate. Students are responsible for registering for their own classes and managing their own schedule.

<b>Foundation Sequence</b>
<input type="checkbox"/> Orientation
<input type="checkbox"/> Foundations of Project Management
<b>Core Sequence</b>
<input type="checkbox"/> Project Risk Management
<input type="checkbox"/> Project Requirements and Procurement
<input type="checkbox"/> Project Cost Management
<input type="checkbox"/> Project Leadership
<input type="checkbox"/> Project Quality and Control
<b>Capstone Sequence</b>
<input type="checkbox"/> Project Management Capstone
<input type="checkbox"/> PMI® Exam Prep (CAPM® or PMP®)

Individuals must self-register an account and complete an application for the PMI® exam. MCC recommends students start the process when registering for the PMI® Exam Prep course.

<b>PMI® Certification</b>
<input type="checkbox"/> Create PMI® Account <ul style="list-style-type: none"><li>• PMI Account Registration - <a href="https://www.pmi.org/account-registration">https://www.pmi.org/account-registration</a></li></ul>
<input type="checkbox"/> Complete Exam Application <ul style="list-style-type: none"><li>• CAPM® Exam Application - <a href="https://www.pmi.org/certifications/types/certified-associate-capm">https://www.pmi.org/certifications/types/certified-associate-capm</a></li><li>• PMP® Exam Application - <a href="https://www.pmi.org/certifications/types/project-management-pmp">https://www.pmi.org/certifications/types/project-management-pmp</a></li></ul>
