Nexis Uni

The following guidelines are based on the *MLA Handbook* (8th edition). Two examples are provided:

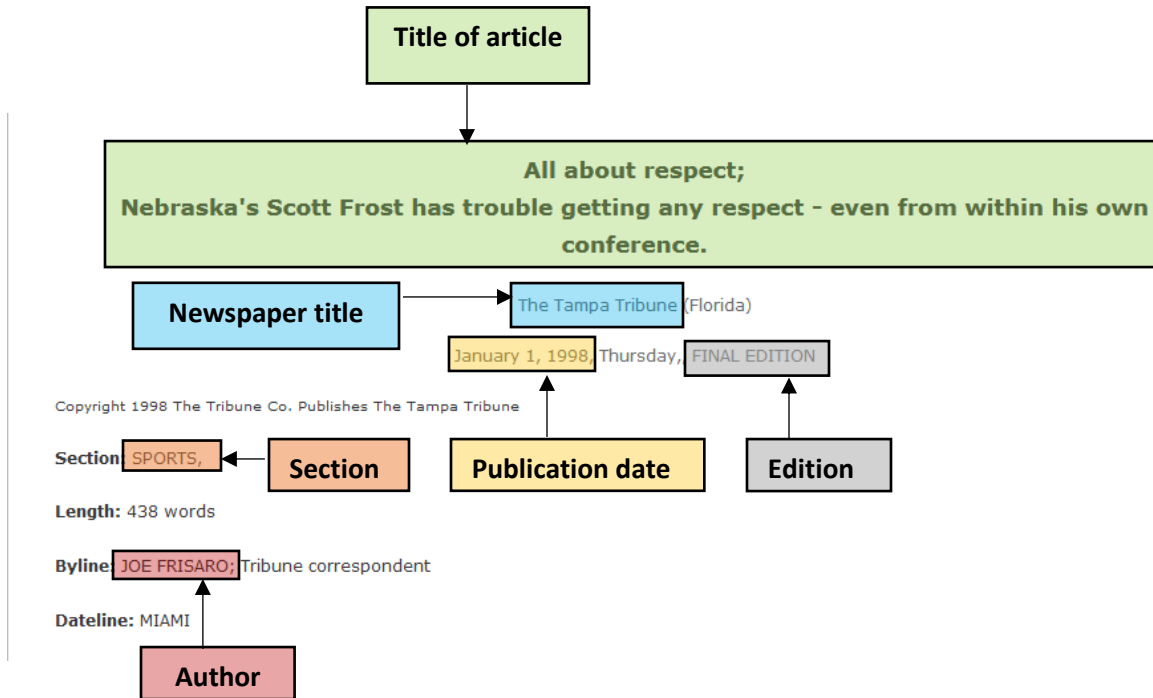

1. Newspaper article (p. 2)
2. Article from a law review (p. 3)

DOIs, URLs, & Accession Numbers

- Because articles in Nexis Uni do not have a **DOI (Digital Object Identifier)** or a **record number**, your citation should include a **URL** instead.
- Article URLs in Nexis Uni cannot be accessed outside of MCC. Because of that, you should use the URL for the Nexis Uni homepage instead:
`login.ezproxy.mccneb.edu/login?url=http://www.nexisuni.com`
- If the URL takes up more than one line, do not insert spaces or hyphens to force a break. Use your computer's **Enter/Return** key instead.
