Bookstore Accounts

Some, but not all, financial aid recipients are eligible to charge their required books to their financial aid. The Financial Aid Office sets up bookstore accounts for these students.

The beginning and ending dates for charging books to your financial aid for your current quarter can be found in the 2017-2018 Financial Aid Major Dates document located at mccneb.edu/fa and in your My Way portal <https://myway.mccneb.edu/financial/financialaid-veteranservices/Pages/Financial-Aid.aspx>

To see if you are eligible to charge your books to your financial aid each quarter, check your book store account information in My Way | MyServices For Students.
