

Transfer Guide: MCC Business Transfer (BSTAA) to NWU Business-related degrees

This Pathway is designed to help students earning an Associate of Arts degree in Business Transfer (BSTAA) transfer into most business-related majors at Nebraska Wesleyan University. Students who follow this pathway are in position to complete a Bachelor of Science degree in two years (four full-time semesters). This pathway prepares students for the following majors:

- Business Administration
- Business-Sociology
- Economics
- Sport Management

Some guidelines for this Pathway:

- Students making satisfactory progress after transferring, and who follow their course plan, can graduate in two years at NWU.
- Students with NWU GPAs at or above 3.25 can take dual BS/MBA courses for a head start on their Master of Business Administration degree.

General Transfer Policies:

- Students who follow this pathway will transfer a total of 94.5 quarter credit hours, which is equivalent to 63 semester credit hours at NWU.
 - NWU can transfer a maximum of 96 quarter credit hours (64 semester credit hours) from community colleges.
 - 4.5 quarter credits transfer as 3 semester credit hours; 6 quarter credit hours transfer as 4 semester credit hours.
- Students must complete a minimum of 126 semester credit hours to earn a bachelor's degree from NWU. Transferrable courses which do not meet degree requirements (aka "elective credits") still count toward this 126 and are marked on the pathway as "credit toward graduation."
- MCC Courses with numbers below 1000 will not transfer.
- MCC Courses must have grades of C or better to transfer.
- Students should work with their advisor when selecting courses for the AA. This guide offers recommendations for transferable courses and is not intended to be a substitute for advising at MCC.
